Illinois Teen BTW Course Requirements/Regulations

1. The \$300 or \$400 private lesson (PL) fee should be returned with this signed form to our office before the first lesson will be scheduled (easy pay plan requires initial payment of \$160(\$210 PL), followed by a \$160(\$210 PL) payment before the third lesson is scheduled). Behind-the-Wheel (BTW) lessons are scheduled by our instructors with each student. Typically lessons are scheduled 2-6 weeks in duration and with at least two students (unless PL) to facilitate both driving and observation requirements. Please note: Illinois commercial driving school regulations do not permit more than 4 students in a car at the same time.
2. We must be made aware of any reading, learning or physical limitations that could affect the students learning or driving ability (this will benefit the student and will be kept confidential). The student/parent/guardian agree to immediately inform the school, if the student is notified that their instruction permit has been suspended, revoked, or canceled.
3. The student shall obtain their Illinois Driving Permit prior to beginning behind the wheel training with an instructor. The student will provide a photocopy of their driving permit by returning it with this signed form or by giving a photocopy of their driving permit to their instructor at the beginning of their first lesson. Students must show their driving permit to instructor at the start of each lesson (no permit equals missed lesson). Students may not wear loose fitting shoes (i.e. flip-flops).
4. Illinois law for persons age 15-17. requires 6 hours of behind-the-wheel instruction and 6 hours of observation. Students will be charged \$75.00 to make up any missed driving instruction (less than 24 hour notice). Students who require or request additional lessons in order to meet the minimum driving standards will be charged \$75.00 per hour.
5. The instructor or the school must be notified 24 hours in advance for any BTW lesson cancellations. Students whose driving partners fail to arrive for their scheduled lesson may choose to keep the lesson (drive alone) or reschedule. Students not completing their BTW lessons within six (6) months of the start of their first lesson, are considered completed but have failed.
6. Students are not permitted to use pagers/cell phones during BTW lessons(phones must be shut off or silenced). Smoking, food or drink are not allowed in the driving cars or any part of the building, including the restroom, hallways, and outside of the building.
7. Students are expected to conduct themselves in a mature and responsible manner at all times. The instructor reserves the right to remove any student from BTW session who is using profanity, criticizing, causing distractions or a disturbance. Such removal constitutes an absence or missed lesson.
8. Any student possessing/using weapons or illegal drugs or who causes any type of damage to Balda Driving School building, parking lot, cars, or possessions, will be dropped from the BTW sessions and may not re-enroll.
9. We do not guarantee the student a license.
10. If the student is at fault in a collision, the student and/or parent/guardian will be responsible for the first \$500.00 of repair expenses at a facility of Balda Driving School choosing. This will be paid to Balda Driving School before the repairs are started.
11. Balda Driving School reserves the right to cancel any BTW session for such reasons as: inclement weather, mechanical problems, instructor illness, etc.
12. As pursuant to Illinois Administrative Code Chapter 11 Section 1060.80C. The school will not refund any tuition or any part of the tuition if the school is capable and willing to perform its part of the contract.

I have read and understand all of the 12 requirements and regulations listed above.

This agreement constitutes the entire contract between Balda Driving School and the student/parent/guardian. No verbal assurance or promises not contained herein shall bind Balda Driving School or the student/parent/guardian. All disputes under this agreement shall be directed to the Illinois Secretary of State's office.
